Draco Aluminum Utility Trailers

Planned trailer line · Dracon Welding Services Ltd · Burin, NL · Web Edition (from catalog v5.1, Oct 2026)

Design render · not a photo of a finished product

A planned line of common-size aluminum utility trailers, to be built at 5A Ropewalk Lane, Burin, NL from Q3 2027.

> Planned product line, not yet for sale. Built only once Transport Canada authorization is in place.
> Information only. Nothing in this catalog is offered for sale yet. Dracon services begin Q3 2027 (shop building Q1 2027, move-in Q2 2027).

WELCOME

Made in Burin — aluminum utilities

From Q3 2027, Dracon will fabricate at 5A Ropewalk Lane, Burin, NL. This catalog introduces a planned aluminum utility trailer line in common residential and light-commercial sizes, to be built in-house following our Utility Trailer Fabrication Manual (UTF-001).

WHAT THIS CATALOG IS

- A concept lineup of six common aluminum utility sizes under the Draco name.
- Images are 3D / AI design renders, not photos of finished trailers.
- Weight ratings: to be confirmed.
- Specifications are planning values and may change.

> Planned product line, not yet for sale. Built only once Transport Canada authorization is in place.

PLANNED SIZES

Model	Deck	Axles	Weight rating
Draco58	5′ × 8′	single axle	To be confirmed
Draco510	5′ × 10′	single axle	To be confirmed
Draco610	6′ × 10′	single axle	To be confirmed
Draco612	6′ × 12′	single axle (tandem option)	To be confirmed
Draco714	7′ × 14′	tandem axle	To be confirmed
Draco716	7′ × 16′	tandem axle	To be confirmed

Design render

Draco58

5′ × 8′ · single axle
Compact aluminum utility for lawn gear, ATV runs and weekend hauling.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

Design render

Draco510

5′ × 10′ · single axle
Extra deck length on the same 5 ft width — an everyday residential footprint.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

Design render

Draco610

6′ × 10′ · single axle
Full 6 ft deck width for pallets, DIY loads and small machinery.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

Design render

Draco612

6′ × 12′ · single axle (tandem option)
Longer 12 ft deck — single axle for lighter duty or tandem for heavier loads.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

Design render

Draco714

7′ × 14′ · tandem axle
Tandem work trailer — the planned commercial backbone of the line.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

Design render

Draco716

7′ × 16′ · tandem axle
Flagship aluminum utility — the longest deck planned in the Draco line.
Weight rating: to be confirmed.
Common options: rails, toolbox mount, spare tire carrier, winch plate, ramp gate, stake pockets.

CONFIGURE

Options

Design render

- Deck: treated wood standard; aluminum deck optional
- Sides: low rub rail standard; taller rails will be offered
- Gates: full-width ramp gate or fold-down gate
- Axles: single or tandem where size allows; electric brakes and breakaway on tandems
- Accessories: toolbox mount, spare tire carrier, winch plate, stake pockets, D-rings

> Planned product line, not yet for sale. Built only once Transport Canada authorization is in place.
